II. INTRODUCTION

In 2024, the City of Slater purchased 321 Main Street to preserve the historic 1920 structure and invest local community resources into creating a new mix-use commercial/retail experience with a high emphasis on new food options for Slater. In late Fall/2024, the City of Slater committed over \$140,000 in structural repairs on the building to maintain it and create future opportunities.

The City of Slater and Ames Regional Economic Alliance seeks proposals that include a restaurant on the corner of 321 Main St. Development teams are encouraged to be creative with the remainder of the property by proposing their best and highest uses to include additional commercial units. The most successful proposal will seamlessly fit into the existing landscape, continuing to encourage walkability and connectivity, bringing additional interest to the historic Main Street character that Slater prides itself on.

The City of Slater is willing to award a custom incentive program with a long-term, low-cost lease or full purchase agreement, as applicable, with an accompanying financial incentive package, to the respondents deemed most qualified, and based on the evaluation criteria contained in this RFP. The key dates for this offering and anticipated schedule for the selection of respondent are below.
