Book Club

The selection for April is *The Change* by Kirsten Miller. Discussion will be on Thursday, April 17 at 10 AM.

In the Long Island oceanfront community of Mattauk, three different women discover that midlife changes bring a whole new type of empowerment...

Guided by voices only Nessa can hear, the trio of women discover a teenage girl whose body was abandoned beside a remote beach. The police have written the victim off as a drug-addicted sex worker, but the women refuse to buy into the official narrative. Their investigation into the girl's murder leads to more bodies, and to the town's most exclusive and isolated enclave, a world of stupendous wealth where the rules don't apply. With their newfound powers, Jo, Nessa, and Harriett will take matters into their own hands.

The selection for May is *The Persian Pickle Club* by Sandra Dallas. Discussion will be on Thursday, May 22 at 10 AM.

It is the 1930s, and hard times have hit Harveyville, Kansas, where the crops are burning up, and there's not a job to be found. For Queenie Bean, a young farm wife, a highlight of each week is the gathering of the Persian Pickle Club, a group of local ladies dedicated to improving their minds, exchanging gossip, and putting their quilting skills to good use. When a new member of the club stirs up a dark secret, the women must band together to support and protect one another.

OUR NEW EXHIBIT HISTORICAL HEADLINES- READ ALL ABOUT IT!

Our new exhibit features newspapers from our archives and covers from World War One to Trump's second election. Headlines that bring back memories! You're invited to remember.

Our new exhibit was up just in time for our **PANCAKE SUPPER** on Sunday February 23. Over 135 friends turned up to enjoy member Don Rimathe's pancakes and sausage. It was a beautiful day and a great time to visit with folks and visit the museum. Thanks to all who helped and who attended and generously donated. We'll do it again!

Friends and neighbors

We have an intern! Ashley Grego has volunteered to assist Mary O'Donnell in entering accessions into our database, learning from Mary at the same time. Ashley, who lives in Huxley, has worked at museums previously. We're so pleased to work with someone so interested in history.

We are pleased to announce Heritage Hall Museum has been recognized as a Heritage Area Site of the Silos & Smokestacks National Heritage Area (SSNHA). We will be listed on their website of attractions to visit, and Silos & Smokestacks also can assist us with many future goals and development. We are proud to have qualified for this designation.

WE'RE LOOKING FOR...

Greetings Slater Families, Volunteers, Businesses, Council, and City Employees!

We seek your assistance! To celebrate the new developments and growth occurring in our city, while we continue to honor our rich history and traditions, we are launching a new communication initiative titled *Slater Spotlights*. This written piece will be shared via our city's e-newsletter, website, and possibly in the Slater Scoop. With each publication, we will feature both a new addition to Slater, along with a more established presence - whether it be families, volunteers, businesses, council members, or city employees.

To ensure the success of this initiative, we invite families, volunteers, businesses, and employees of Slater to express their interest in being featured by emailing Danielle at slateriowa@huxcomm.net. Once you indicate your willingness to participate, we will reach out to gather the necessary information for our publication. This process will involve providing written responses to a few questions, in addition to submitting a photograph to accompany your feature. After drafting the piece, we will share it with you for review to ensure the accuracy and appropriateness of the information presented.

We encourage you to consider this opportunity as it's one more way we can continue fostering connectivity within our city!

*The City of Slater is still accepting RFPs for the 321 Main Street property. Please stop by City Hall or visit slateriowa.org to access the full RFP.
